Sir:

In response to the Office Communication dated October 17, 2006, which issued in connection with the above-identified application, applicants submit the following remarks, beginning on page 2.

**REMARKS**

On August 28, 2006, Applicants filed an Information Disclosure Statement (IDS) to submit a reference that was cited during prosecution of the corresponding Korean patent application.

On October 17, 2006, the Examiner issued an Office Communication, which indicated that the IDS filed on August 28, 2006, was not considered, because it failed to comply with 37 C.F.R. § 1.98(a)(2), which requires a legible copy of each cited foreign patent document.

Applicants submit that a legible copy of EP 0 649 482 A2 was submitted, along with a copy of the Korean Office Action. Attached hereto is a copy of the date-stamped postcard indicating receipt of these documents by the USPTO.

Accordingly, Applicants respectfully request that the Examiner give full consideration to the aforementioned European patent, and to return an initialed copy of the SB08 form to the offices of the undersigned. Another copy of the SB08, the European Patent and the Korean Office Action are attached hereto for the Examiner's convenience.

Applicants respectfully request consideration of the Information Disclosure Statement.

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to contact Eugene T. Perez (Reg. No. 48,501) at the offices of Birch, Stewart, Kolasch & Birch, LLP.
